

MEMORY SKILLS PARENTING WORKSHOP

COACHING YOUTHS TO EXCELLENCE WITH POWER MIND !

Synopsis for a Talk to Parents about Power Mind (16 May 2009)

The session will shed some light on some of the topics covered in the Power Mind Series of Workshops so that parents may understand what is taught and the benefits of the workshops. Thus, be able to work together with trainers and teachers to help children become more effective learners

What is Power Mind all about?

Power Mind is a series of workshops that emphasise on developing the brain power of children by imparting skills of Super Memory, Making Mind Maps and Creative Thinking. After all that is done it is our hope to help students utilize these skills learnt with their school work.

How you will benefit?

- Know what your children will learn in the Power Mind Workshop
- Understand how memory works
- Why Power Mind is not just about Improving one's Memory
- How you can help your kids apply the skills learnt
- How to even utilize the skills for personal well being
- Questions and Answers
